## CONTACT INFO

**Technical Secretariat**

[Exhibition-Sponsors@eucap2025.org](mailto:Exhibition-Sponsors@eucap2025.org)

# 1 What information can be uploaded into the EuCAP tool?

Each company registered in the EuCAP Tool can upload the following information to its personal page:

1. **Company description and website link for advertisement;**
2. **Upload the company logo in PNG format ;**
3. **Upload the company logo in vectorial format;**
4. **Upload the company advert for the e-book (PDF A5 for a full-page advert and PDF A6 for a half-page advert).**

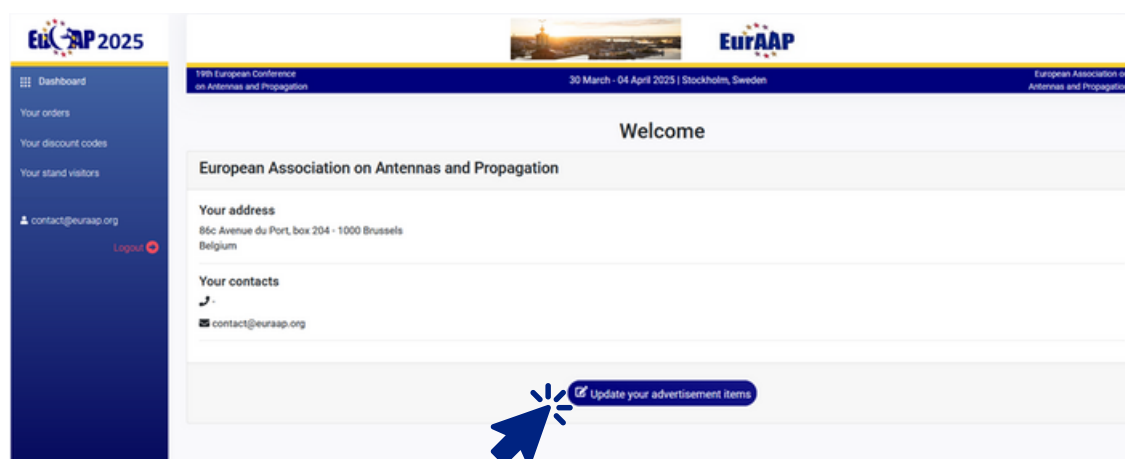

# 2 How to upload information to the EuCAP tool?

Once the company contact has received the confirmation email for EuCAP Tool registration, they can log in to the system:

1. Go to the link : <https://eucaptool.eucap2025.org/login>.
2. Enter the email address provided in the registration email.
3. For the first login, select a personal password via the 'Forgot Password' option. This password, together with the registered email, will serve as your login credentials for future access..

Once logged in, you will see the page: to upload or update information, click **"Update your advertisement items"**.

After clicking, you will see fields to complete:

**a) Company info for advertisement:**

In this free-text field, the company can enter a short description and a link to its website.

**b) Upload the company logo:**

Here, the company can upload its logo in PNG format.

**c) Upload the company logo in vectorial format:**

Here, the company can upload its logo in high-resolution vector format.

**d) Upload the company advert for e-book (PDF A5):**

If included in the purchased sponsorship package, the company should upload the advert in PDF format. Use A5 size for a full-page advert or A6 size for a half-page advert, which will be inserted into the conference e-book.

This feature is available exclusively for sponsorship packages.
