Travel Grants

TICRA Foundation and EurAAP announce 8 grants opportunities at EuCAP 2025

The TICRA Foundation and EurAAP are pleased to announce that they will offer 8 grants for EuCAP 2025.

Each grant consists of EUR 1,000 for travel and subsistence as well as a full registration and an invitation to the conference dinner. The Grants will be officially presented at a dedicated ceremony that will take place at the end of the technical sessions on Tuesday 1 April 2025.

Authors of accepted papers are invited to send their application until 26 January 2025 at the latest. The awardees will be selected based on the author's potential or demonstrated aptitude for research and their financial situation. Applicants from all regions and career stages are encouraged to apply with some preference given to applicants from developing nations and/or early careers.

Application requirements

To be considered for the travel grants, applicants are required to provide the following:

- Motivational letter (max ½ page)
- Brief resumé (max 2 pages)
- Full conference paper
- 10-digit paper ID

The grants will be transferred to each awardee after the conclusion of the conference, conditional on the awardee's participation in the conference.

March 30 - April 4 | Stockholm, Sweden

Application deadline

Please submit your motivational letter, resumé, conference paper and a copy of the conference paper acceptance to eucaap@ticra.com with "Travel grant" and clear statement of your paper ID from EDAS in the subject line no later than 26 January 2025. Successful candidates will be notified by 14 February 2025.

A committee at TICRA and EurAAP will make the selection of the 8 final recipients of the grants.

Note: To be eligible for the travel grant, applicants must ensure they are registered for the conference prior to the travel grant application deadline.

About TICRA Foundation

The objective of the TICRA Foundation is to support education and research within the field of electrotechnical sciences in Denmark and abroad. You can find more information at www.ticra.com.

A wide-angle photograph of the Stockholm cityscape at sunset. The sun is low on the horizon, casting a warm, golden glow over the city. The water of the harbor is visible in the foreground, with several boats and bridges. The city buildings and spires are silhouetted against the bright sky.
